### Kids at Lykia World

Lykia World will be the holiday that your kids will talk about for years to come.

Whatever their ages there will be plenty on offer  
Below are a few of the activities children are able to take part

Football

Tennis

Golf

Archery

Wall Climbing

Bannana Boats

Jet Ski's

Ringo's

Judo

Art & Crafts

Belly Dancing

Cinema

Swimming

Pool Games

Table Tennis

Bikes

And there are probably more that I cannot remember.

Not all activities are free of charge but when children do the activities through the clubs they are very reasonably priced

The Lykia World Animation team are excellent and although my own kids are young all the teenagers there seemed to be having a great time and the staff were very much on their level.

This is very much a children's holiday the only thing you will have to worry about is saving up to take them back as all they will do is talk about their holiday until it's time to go back again
